Canada's Anti-Spam Legislation (CASL)

Approved by Board Resolution #051-2016 05 10
Revised by Board Resolution #059-2024 04 30

POLICY

1. The Board is committed to developing documents and implementing an effective program that is in compliance with "Canada's Anti-Spam Legislation" (CASL).
2. The Board recognizes the importance of the awareness of and providing training for all employees with respect to the requirements outlined in CASL.
3. The Board recognizes the importance of establishing monitoring mechanisms and implementing a system for addressing complaints and contraventions.
